

**South County Federation Resolution  
December 8th, 2015  
New Police Station for South County**

**Whereas**, in November of 2015 a \$100 million referendum on the November election ballot was approved with a portion of those funds to construct a new Police Station and Animal Shelter in the South County area;

**Whereas**, the South County area is currently covered by both the Franconia Police Station for areas east of I-95 and the West Springfield Police Station for areas West of I-95 illustrated in map below:

**Whereas**, a visible and easily accessible location of a Police Station plays an important role in the community, acts as a deterrent and quick response time by Police Officers

**Whereas**, many Fairfax County Board Supervisors have office space co-located in Police Stations

**Whereas**, the South County Federation has requested, and Supervisor Elect Dan Storck has agreed, to have office space and hours available in the South County area

**Whereas**, the South County Federation welcomes a Lorton Police Station as a major addition to the Lorton community and signifies the continuing growth of a community

**Now, therefore, be it resolved**, the South County Federation submits the following in support of the Police Station.

1. We request that the South County Federation be given an opportunity to work with the County in determining the best location and name of the Police Station
2. We request that the South County Federation be given an opportunity to contribute to design and architectural concepts on the structures that will become icons of Lorton
3. The Police Station have office & meeting space available
